Dear Teacher:

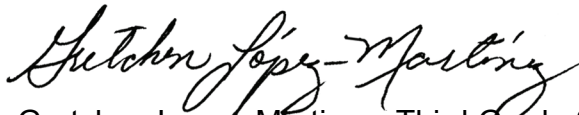

Thank you for your participation in the Third Grade Safety Belt Program. Third grade classrooms throughout the state are receiving similar training on the importance of safety belts.

I hope you will reinforce the safety belt lesson your class has just learned by incorporating the safety belt message into your classroom lessons and activities. You can also reinforce the message by wearing your safety belt.

In order for your local law enforcement agency to receive credit for this presentation, please complete the attached evaluation form and return it to the officer upon completion of the training. Your comments are helpful in evaluating the program.

For more information about this program you may contact me, or fax your inquiries to (614) 728-8330.

Sincerely,

Gretchen Lopez-Martinez, Third Grade Safety Belt Coordinator
